2022 ANNUAL GALA

SPONSORSHIP OPPORTUNITIES

Dear Friends of the Winter Park Library,

Our new 21st century library is ready for us! The Winter Park Library was designed by world-renowned architect Sir David Adjaye, in partnership with local design firm Hunton-Brady and construction managed by Brasfield & Gorrie, and is located in Martin Luther King, Jr. Park.

For over 135 years, the Winter Park Library has promoted literacy, creativity, and been a transformative force for thousands of residents. The Library has been a place for quiet reflection and a center for life-long learning. At our new Library, our patrons will have a space and place to foster literacy, creativity, school and career readiness, inspiration, culture, and community engagement.

In celebration of this momentous occasion, the Winter Park Library Association Board of Trustees is proud to host our Grand Opening Gala on Saturday, February 5, 2022, at the Winter Park Library and Events Center. This spectacular evening under the stars will include elegant dining, entertainment by Michael Andrew with his band Swingerhead, and a Heartstring Pull all to benefit the Winter Park Library's Annual Fund. The Annual Fund supports the Library's physical and digital collections and the curriculum for our patrons.

On behalf of our Board of Trustees, I am humbly asking for your support of this Gala. Enclosed, you will find a sponsorship packet detailing this year's opportunities for partnering with us on this fun-filled event and the exceptional benefits provided to our sponsors. The Winter Park Library has a strong tradition of community support. As we start our new chapter, I hope you join me and our Trustees in support of our new Library and our Annual Fund.

Thank you for your consideration and we look forward to celebrating the new Winter Park Library with you!

Best Regards,
